

\*Target List

\*print one per child

Program Name	#	Target Name	Date Introduced	Date Mastered
Responds to greeting	a	Responds to peer when greeted, 1-2 times		
	b	Makes eye contact and responds to peer, 1-2 times		
	c	Makes eye contact and responds to peer, 3-4 times		
Initiates greetings	a	Greets peers/adults with prompt from IT 80% of times		
	b	Greets peers/adults spontaneously (wave and/or verbally, plus eye contact) 1-2x		
	c	Greets peers/adults spontaneously (wave and/or verbally, plus eye contact) 3-4x		
Continues with activity when peer joins in parallel play	a	Remains seated at table and continues to play with toys when peer joins for 1-2 minutes, does not move toys away from peer		
	b	Remains seated at table and continues to play with toys when peer joins for 3-4 minutes, does not move toys away from peer		
	c	Remains seated at table and continues to play with toys when peer joins for 5+ minutes, does not move toys away from peer		
Takes turns with peers with simple toy (requests)	a	Verbally requests toy/item from peer with prompt		
	b	Verbally requests toy/item from peer 1-2 times		
	c	Verbally requests toy/item from peer 3-4 times		
	d	Verbally requests toy/item from peer 5-6 times		
Takes turns with peers with simple toy (responds to requests)	a	Hands item to peer when they request with prompts		
	b	Hands item to peer when they request 1-2 times		
	c	Hands item to peer when they request 3-4 times		

	d	Hands item to peer when they request 5-6 times		
Initiates a physical interaction with peers	a	Initiates a physical interaction with peers when told "ask __ to ___" 1-2x		
	b	Initiates a physical interaction with peers when told "ask __ to ___" 50% of opportunities		
	c	Initiates a physical interaction with peers when told "ask __ to ___" 80% of opportunities		
	d	Spontaneously initiates a physical interaction with a peer 1-2x		
Engages in sustained social play with peers for 3 minutes without adult prompts or reinforcement	a	Engages in play (works cooperatively, spontaneously shares, comments, or looks to peer, spon imitates peer) for 50% of opportunities for 1 minute		
	b	Engages in play (works cooperatively, spontaneously shares, comments, or looks to peer, spon imitates peer) for 50% of opportunities for 2 minutes		
	c	Engages in play (works cooperatively, spontaneously shares, comments, or looks to peer, spon imitates peer) for 50% of opportunities for 3 minutes		
Spontaneously Mands to peers	a	Mands to peers in contrived situations 1-2x		
	b	Mands to peers in contrived situations 50% of opportunities		
	c	Mands to peers in contrived situations 80% of opportunities		
	d	Spontaneously mands to peers 1-2x		
	e	Spontaneously mands to peers 3-4x		
	f	Spontaneously mands to peers 5 or more times		
Spontaneously responds to mands from peers	a	Responds to mand from peer with prompts		
	b	Spontaneously mands to peers 1-2x		
	c	Spontaneously mands to peers 3-4x		
	d	Spontaneously mands to peers 5 or more times		
Spontaneously Imitates Peers	a	Imitates peers when told do what ____ is doing 1-2x		
	b	Imitates peers when told do what ____ is doing 50% of opportunities		

	c	Imitates peers when told do what ____ is doing 80% of opportunities		
	d	Spontaneously imitates peer 1-2x		
Follows instructions in context	a	Follows instruction directed to single client		
	b	Follows with 1 peer		
	c	Follows with 2 peers		
	d	Follows with group		
	e	Follows an instruction given by a peer		
Transitions between classroom activities with no more than 1 gestural/verbal prompt	a	Transitions between activities w/o problem behaviour 50% of opp, using only verbal and gestural prompts		
	b	Transitions between activities w/o problem behaviour 90% of opp, using only verbal and gestural prompts		
	c	Transitions between all activities with no more than 2-3 prompts (verb/gest) per transition		
	d	Transitions between all activities with no more than 1 prompt (verb/gest) per transition		
Joins in with familiar songs in a group setting	a	Participates with prompts		
	b	Imitates 1-2 actions in 1-2 songs		
	c	Imitates 50% of actions in 1-2 songs		
	d	Imitates 80% of actions in 1-2 songs		
	e	Imitates 80% of actions in 2-3 songs		
Sits in group with peers and responds to adult's familiar instructions	a	Responds with prompts		
	b	Responds to 1-2 instructions independently		
	c	Responds to 50% of instructions independently		
	d	Responds to 80% of instructions independently		
Imitates and carries out novel actions in songs in group play	a	Readily imitates 50% of actions in novel songs		
	b	Readily imitates 80% of actions in novel songs
